SG1A	The will be involved in an air drop operation either on Tuesday of the week (24 JUL 90) or Tuesday of next week (31 JUL 90). An attempt will be made the Tuesday (suspected plans are for evening hours) at approximate coordinate 2000N/6935W. If this air drop is aborted, plans are to try again the following Tuesday approximate coordinates 1910N/6515W. There was an added perception that the operation will be coordinated and run by a grey-haired, very dark skinned man on the boat, who is possibly the brother of the pilot.	his es at he
